**SECOND AMENDMENT TO MASTER SERVICES AGREEMENT BETWEEN  
THE CITY OF MILPITAS AND PEELE TECHNOLOGIES**

This Second Amendment is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2005 by and between the City of Milpitas, a Municipal corporation, hereafter referred to as "CITY" and Peele Technologies hereinafter referred to as "Peele".

**RECITALS**

WHEREAS, the parties have entered into an Agreement for the purchase of specific software licensing and for providing certain professional services for the implementation of a Public Access Information System on August 17, 2004 ("Agreement");

WHEREAS, on April 5, 2005 the City Council approved an amendment to the Agreement to include previously uncalculated sales tax; and

WHEREAS, the parties desire to amend the current agreement to provide certain professional services in the upgrading of the City's Document Imaging software and to increase the amount of the agreement by an additional \$11,700.00 for the payment of those services.

NOW, THEREFORE, in consideration of the mutual covenants and conditions herein contained the parties agree to amend the Agreement as follows:

1. Appendix C Total Project cost is amended to read:

Total Project Cost not to exceed: \$55,700

2. Appendix D is added to the agreement and reads as follows:

## Exhibit D

### Scope of Work

The high-level tasks associated with the scope of work for the project are as follows:

Task	Task Description	Responsibility
1	Back up of the ApplicationXtender repository, including any Oracle files and all images.	City
2	Upgrade Documentum ApplicationXtender / WebXtender software on the City's "Live" system (to include discovery, software installation, database upgrade / configuration and testing).	Peelle Technologies
3	Install Documentum ApplicationXtender / WebXtender software on the City's "Public Access" system (to include discovery, software installation, database configuration and testing).	Peelle Technologies
4	Train City administrator(s) on new ApplicationXtender / WebXtender features (Administrator Console etc.).	Peelle Technologies
5	Copy the pertinent data/images from the Live server over to the Public Access server.	City
